PURVEYORS OF FINE FOOD, WINE AND KITCHENWARE

September, 2008

Dear James,

You did it!

Your experience and persistence, coupled with your eye always on ball got me all I wanted for the restaurant.

I must thank you again for your dogged professionalism and untiring efforts throughout. It's been a pleasure to work with someone who is always there when you call and is always thinking and thinking positively.

Looking forward to working with you again.

Sincerely,
Giorgio Deluca
